REGULATORY AGREEMENT

For Comprehensive Permit Projects in Which Funding is Provided Through a Non-Governmental Entity

This Regulatory Agreement (this "Agreement") is made this 4th day of October 2005, by and among the Massachusetts Housing Finance Agency (the "Project Administrator"), as project administrator acting on behalf of the Department of Housing and Community Development ("DHCD"), the City/Town of North Reading (the "Municipality"), and Central Place Senior Living, LLC, a Massachusetts Limited Liability Company, having an address at 100 George P. Hassett Drive, Medford, MA 02155, and its successors and assigns ("Developer").

RECITALS

WHEREAS, the Developer intends to construct a housing development known as "Central Place" at a 4.4±-acre site located at 63 Central Street in the Municipality, more particularly described in Exhibit A attached hereto and made a part hereof (the "Project"); and

WHEREAS, the Project is being financed with a \$5,147,407 construction loan (the "Loan") by a non-governmental entity for which the Massachusetts Housing Finance Agency serves as project administrator pursuant to Guidelines for Housing Programs in Which Funding is Provided Through a Non-Governmental Entity (the "Guidelines") issued by DHCD; and

WHEREAS, the Developer has received a comprehensive permit (the "Comprehensive Permit") from the Zoning Board of Appeals of the Municipality in accordance with Chapter 40B, Sections 20-23, of the Massachusetts General Laws (the "Act"), which permit is recorded at the Middlesex County Registry of Deeds ("Registry") in Book 43265, Page 74; and

WHEREAS, pursuant to the Comprehensive Permit and the Guidelines, the Project is to consist of a total of 26 age restricted condominium units, of which 27 percent (7 units) (the "Affordable Units") will be sold at prices specified in this Agreement to Eligible Purchasers (as defined herein) or to the North Reading Housing Authority, as provided herein, and will be subject to this Agreement; and

WHEREAS, the Developer has agreed to retain Citizens' Housing and Planning Association, Inc. ("CHAPA") to perform administration, monitoring and enforcement services regarding compliance of the Project with the Guidelines and the Comprehensive Permit during the period of affordability of the Affordable Units; and

WHEREAS, CHAPA has agreed to perform such administration, monitoring and enforcement services during the period of affordability of the Affordable Units; and

63 Central St N. Re
71 Tvey St W. Re

WHEREAS, the parties recognize that Affirmative Fair Marketing (as defined herein) is an important precondition for initial sales and resales of Affordable Units and that local preference cannot be granted in a manner which results in a violation of applicable fair housing laws and regulations; and

WHEREAS, the parties recognize that the Municipality has an interest in preserving affordability of the Affordable Units and may offer valuable services in administration, monitoring and enforcement.

NOW, THEREFORE, in consideration of the agreements hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Project Administrator, the Municipality, and the Developer hereby agree as follows:

1. Definitions. In addition to the terms defined elsewhere in this Agreement, the following terms shall have the meanings set forth below:

Additional Windfall Amount shall have the meaning set forth in Section 7 hereof.

Affirmative Fair Marketing means outreach and other marketing efforts to minority households in a manner consistent with the affirmative fair marketing policies of the Project Administrator for homeownership projects and sufficient to satisfy the requirements of applicable fair housing laws and regulations, in accordance with a plan approved by the Project Administrator.

Affordable Housing Fund shall have the meaning set forth in Section 7 hereof.

Allowable Profit shall have the meaning set forth in Section 6(a) hereof.

Approved Capital Improvements means the documented commercially reasonable cost of necessary capital improvements made to any Affordable Unit, due to normal wear and tear and needed modernizations, provided that such cost is approved by the Monitoring Agent and further provided that such cost was not previously included in the calculation of the Maximum Resale Price for any prior sale of such Affordable Unit. The burden of demonstrating such necessity shall be on the owner. The Monitoring Agent shall approve both the necessity of such capital improvements and the cost in its sole discretion. In no event shall the Monitoring Agent approve any capital improvements the cost of which shall result in the Maximum Resale Price exceeding the maximum price affordable to a buyer earning up to seventy percent of the Base Income Number.

Example: The documented commercially reasonable cost of a new roof paid for by Seller may be included in the Maximum Resale Price on his sale of the Affordable Unit to Buyer, but the documented commercially reasonable cost of a new septic system included in the Maximum Resale Price when Seller purchased

the Affordable Unit is not included in calculating the Maximum Resale Price to Buyer.

Area means the Primary Metropolitan Statistical Area which includes the Municipality.

Base Income Number means the most recently published Area median income number (MFI), as published by HUD.

Certified Cost and Income Statement shall have the meaning set forth in Section 6(b) hereof.

Chief Elected Official means in the case of a city, the Mayor of such city, and in the case of a town, the Board of Selectmen of such town.

Deed Rider means the deed rider in the form attached hereto as Exhibit C and fully incorporated herein by reference to be attached to each deed of each Affordable Unit as provided in Section 5 hereof.

Default Notice and Project Administrator Default Notice shall have the meanings given such terms in Section 20(a) hereof.

Eligible Purchaser means an individual(s) or household who qualifies as a First-Time Homebuyer (unless otherwise specified in the Guidelines) earning no more than eighty percent (80%) of the Base Income Number for an appropriately-sized household for the unit (that is, for a one-bedroom unit the 2-person household HUD median income shall apply and for a two-bedroom unit the 3-person household HUD median income shall apply) and, if applicable, owning assets not in excess of the limit set forth in the Guidelines, as amended from time to time. If HUD discontinues publication of median income statistics, then the Monitoring Agent shall designate another measure of eligible income. To be considered an Eligible Purchaser, the individual(s) and all members of his/her household must be age 62 or older and must intend to occupy the Property as his, her or their principal residence and must provide to the Municipality and to the Monitoring Agent such certifications as to income and, if applicable, assets as the Municipality and the Monitoring Agent may require to justify designation as an Eligible Purchaser.

Eligible Purchaser Certificate shall have the meaning set forth in Section 5(a) of the Deed Rider.

Excess Profit shall have the meaning set forth in Section 6(d) hereof.

First-Time Homebuyer means an individual(s) or household, none of whom have had an ownership interest in a principal residence at any time during the three (3)- year period prior to the purchase date of the Affordable Unit.

HUD means the United States Department of Housing and Urban Development.

Initial Sale Price means the price at which the Affordable Unit is first sold by the Developer to an Eligible Purchaser. The Initial Sale Price from the Developer to the first Eligible Purchaser shall be no greater than the maximum price affordable to a buyer earning up to seventy percent (70%) of the Base Income Number adjusted for household size (although an Eligible Purchaser may actually earn up to eighty percent (80%) of the Base Income Number adjusted for household size), with a maximum debt to income ratio of thirty percent (30%).

Marketing Documentation shall have the meaning set forth in Section 8 hereof.

Marketing Plan shall have the meaning set forth in Section 8 hereof.

Maximum Resale Price means the sum of (A) the Base Income Number (at the time of resale) multiplied by the Resale Price Multiplier, plus (B) the Resale Fee, plus (C) Approved Capital Improvements, if applicable. In no event shall the Maximum Resale Price exceed the maximum price affordable to a buyer earning up to seventy percent of the Base Income Number nor shall the Maximum Resale Price be less than the price paid for the unit by the seller..

Monitoring Agent means CHAPA as monitoring agent under the Monitoring Services Agreement or any successor monitoring agent selected in accordance with the provisions of Section 6 of the Monitoring Services Agreement. The Monitoring Agent may also include the Municipality under contract with CHAPA (or any other duly selected successor monitoring agent) and the Project Administrator to provide a portion of the services under the Monitoring Services Agreement.

Monitoring Services Agreement means the Monitoring Services Agreement of even date herewith among the Developer, the Monitoring Agent, the Municipality and the Project Administrator in the form attached hereto as Exhibit D and incorporated herein by reference.

Plans and Specifications shall have the meaning set forth in Section 2 hereof.

Project means the 26-unit development located at 63 Central Street, North Reading, MA 01864, which, pursuant to the terms of the Comprehensive Permit and the Guidelines, includes 7 units of affordable housing.

Resale Fee shall have the meaning set forth in the Deed Rider attached hereto as Exhibit C.

Resale Price Certificate means the certificate in recordable form issued by the Project Administrator and recorded with the first deed of each Affordable Unit from the Developer to the initial Eligible Purchaser, which certificate sets forth the Resale Price Multiplier to be applied on the resale of such Affordable Unit, according to the terms of the Deed Rider for such unit, for so long as the restrictions set forth in this Agreement

continue. If on any resale the Maximum Resale Price includes Approved Capital Improvements, the Monitoring Agent shall issue a new Resale Price Certificate to be recorded with the deed for such resale, which certificate shall include a new Resale Price Multiplier to be applied on each subsequent resale of such Affordable Unit according to the terms of the Deed Rider for such unit, for so long as the restrictions set forth in this Agreement continue.

Resale Price Multiplier means, for each Affordable Unit, the number calculated by dividing the Initial Sale Price by the Base Income Number at the time of the initial sale from the Developer to an Eligible Purchaser, and which will be multiplied by the Base Income Number at the time of resale to determine (in part) the Maximum Resale Price. In the event that the purchase price paid for any Affordable Unit includes Approved Capital Improvements, the Resale Price Multiplier shall be recalculated by the Monitoring Agent by dividing the purchase price so paid (not including the Resale Fee) by the Base Income Number at the time of such purchase.

Example: Assume the Base Income Number at the time of the initial sale is \$80,800 and the Initial Sale Price is \$150,000. The Resale Price Multiplier would equal 1.86 ($150,000/80,800 = 1.86$). Then assume that at the time the initial purchaser sells the unit, the Base Income Number has increased to \$88,072 and Approved Capital Improvements (e.g., a new roof) equal \$5,000, the Maximum Resale Price (herein defined) would be calculated as follows: $\$88,072 \times 1.86 = \$163,814$ + the Resale Fee (herein defined) + \$5,000. If the subsequent purchaser sells the unit at a time when the Base Income Number is \$85,000, the Maximum Resale Price would be calculated as follows: (i) recalculated Resale Price Multiplier = 1.92 ($168,814/88,072 = 1.92$); (ii) $\$85,000 \times 1.92 = \$163,200$ + the Resale Fee + Approved Capital Improvements (if applicable).

The initial Resale Price Multiplier for each Affordable Unit is set forth in Exhibit B attached hereto.

Resale Restrictions shall have the meaning set forth in Section 5(b) hereof.

Total Development Costs means the total costs for the acquisition and construction of the Project (including both hard and soft costs), as reviewed and approved by the Monitoring Agent on behalf of the Project Administrator pursuant to the Monitoring Services Agreement and by an auditor, if engaged by the municipality (the "Auditor"), provided, that such hard and soft costs shall exclude any development fees and shall include only the amount of the Developer's actual costs and investment in the Project. Payments to "related entities," that is, any corporation in which the Developer or a person (a "beneficiary") who has a beneficial interest in the Developer (such as a shareholder of a corporate Developer) or who is a principal of the Developer (such as an officer or director of a corporate Developer) is an officer, director or shareholder; a limited partnership in which Developer or such beneficiary or principal is a limited partner or general partner; a general partnership in which the

Developer or such beneficiary or principal is a partner; a limited liability company in which the Developer or such beneficiary or principal is a manager, shareholder or director; a trust in which the Developer or such beneficiary or principal is a trustee or beneficiary, or any other entity in which the Developer or such beneficiary or principal has a beneficial interest shall be reported separately from payments to unrelated entities or persons. Payments to related entities shall be allowable costs only if such payments do not exceed the reasonable industry standard costs of such related entity. Payments to related entities that exceed such reasonable industry standard costs shall be deemed development fees and shall not be allowed in the calculation of Total Development Costs. For the purpose of determining compliance with the Comprehensive Permit's limited dividend requirement, the cost of site acquisition shall be limited to the lesser of the purchase price in the last arm's length transaction within the last three years and legitimate carrying costs, including interest, taxes, insurance, and the costs related to option agreements, or the "as is" fair market value. "As is" fair market value shall mean that value of the parcel without the benefit of any waivers of local by-laws or regulations, as may be determined by an independent appraiser. For the purpose of determining compliance with any limited dividend requirement of the Project Administrator, the allowable cost of site acquisition shall be determined in accordance with the Land Valuation/Allowable Acquisition Costs method set forth in the Guidelines and as reviewed and approved by the Monitoring Agent on behalf of the Project Administrator pursuant to the Monitoring Services Agreement.

Unit Purchaser shall have the meaning set forth in Section 5(a) hereof.

Windfall Amount shall have the meaning set forth in Section 5(c) hereof.

2. Construction Obligations. The Developer agrees to construct the Project in accordance with plans and specifications approved by the Municipality's Zoning Board of Appeals and the holder of the mortgage securing the Loan (the "Plans and Specifications") and in accordance with all terms and conditions of the Comprehensive Permit. All Affordable Units to be constructed as part of the Project must be similar in exterior appearance to other units in the Project and shall be evenly dispersed throughout the Project. In addition, all Affordable Units must contain complete living facilities including but not limited to a stove, kitchen cabinets, plumbing fixtures, and washer/dryer hookup, all as more fully shown in the Plans and Specifications. The Project must fully comply with the State Building Code and with all applicable state and federal building, environmental, health, safety and other laws, rules, and regulations, including without limitation all applicable federal and state laws, rules and regulations relating to the operation of adaptable and accessible housing for the handicapped. Except to the extent that the Project is exempted from such compliance by the Comprehensive Permit, the Project must also comply with all applicable local codes, ordinances and by-laws. The Project Administrator shall monitor compliance with the construction obligations set forth in this section in such manner as the Project Administrator may deem reasonably necessary.

3. Maximum Initial Sales Price/Maximum Resale Price. The Developer agrees to sell each of five (5) Affordable Units to an Eligible Purchaser for no more than the Maximum Initial Sales Price set forth in Exhibit B attached hereto and incorporated herein by reference. The initial Resale Price Multiplier for each Affordable Unit shall be as set forth on Exhibit B attached hereto. Prior to the delivery of the first deed for each Affordable Unit, the Project Administrator shall issue the Resale Price Certificate to the Developer, and the Developer shall record the Resale Price Certificate with the first deed of each Affordable Unit. On resale of an Affordable Unit, if the Maximum Resale Price includes Approved Capital Improvements, the Monitoring Agent shall issue a new Resale Price Certificate which recalculates the Resale Price Multiplier, and the purchaser shall record the new Resale Price Certificate immediately after the recording of the deed to such Affordable Unit. The Resale Price Multiplier set forth in the most recently recorded Resale Price Certificate shall apply to each subsequent resale of the Affordable Unit.

The Developer agrees that two (2) Affordable Units shall be made available for sale for no more than the Maximum Initial Sales Price to the North Reading Housing Authority, provided that the North Reading Housing Authority has (a) in writing notified the Developer of its intention to purchase the Affordable Unit(s), (b) has obtained the funding necessary to acquire the Affordable Unit(s) within six months of the commencement of construction of the Project, (c) agreed to close on the Affordable Unit(s) within thirty (30) days of the issuance of a certificate of occupancy for such Affordable Unit(s) or such other period as may be agreed to by the Developer, and (d) agreed to execute and attach to the deed for each such Affordable Unit a Deed Rider in the form approved by the Municipality's counsel and the Project Administrator.

4. Subsidized Housing Inventory. The units in the Project designated on the Plans and Specifications and the Comprehensive Permit as Affordable Units shall be included in the Subsidized Housing Inventory as that term is described in 760 CMR 31.04(1) in accordance with rules and regulations issued by DHCD, as amended from time to time.

5. Deed Riders; Affordability Requirement. (a) At the time of sale of each Affordable Unit by the Developer, the Developer shall execute and shall as a condition of the sale cause the purchaser of the Affordable Unit to execute a Deed Rider in the form of Exhibit C attached hereto and incorporated herein by reference, or in the event of a sale of an Affordable Unit to the North Reading Housing Authority, in the form approved by the Municipality's counsel and the Project Administrator. Such Deed Rider shall be attached to and made a part of the deed from the Developer to the initial purchaser of the Affordable Unit (the "Unit Purchaser").

(b) In the case of the sale of an Affordable Unit to an Eligible Purchaser, each such Deed Rider shall require the Unit Purchaser at the time he desires to sell the Affordable Unit to offer the Affordable Unit to the Monitoring Agent at a discounted purchase price more particularly described therein. The Monitoring Agent shall have the option upon terms more particularly described in the Deed Rider either to permit the sale

of the Affordable Unit to the Municipality or to find an Eligible Purchaser. There shall be Affirmative Fair Marketing prior to the selection of an Eligible Purchaser.

(c) The Deed Rider shall require the seller and the Eligible Purchaser to execute at the time of resale a Deed Rider approved by the Monitoring Agent, which will be attached and made a part of the deed to the Eligible Purchaser, so that the affordability of the Affordable Unit will be preserved each time that subsequent resale of the Affordable Unit occurs. (The various requirements and restrictions regarding resale of an Affordable Unit contained in the Deed Rider are hereinafter referred to as the "Resale Restrictions").

(d) If, upon the initial resale or any subsequent resale of an Affordable Unit, the Monitoring Agent in the exercise of due care with the full cooperation of the then current owner is unable to find an Eligible Purchaser for the Affordable Unit and the Municipality fails to exercise its right to purchase the Affordable Unit, the then-current owner of the Affordable Unit shall have the right to sell the Affordable Unit to any person, regardless of his income and assets and at fair market value (as more fully described in Section 4 of the Deed Rider), free of any future Resale Restrictions, provided that the difference between the actual resale price and the discounted purchase price for which the Municipality or an Eligible Purchaser could have purchased the Affordable Unit (the "Windfall Amount") shall be paid by the then-current owner of the Affordable Unit to the Municipality. The Municipality agrees that all sums constituting Windfall Amounts from the sale of Affordable Units shall be deposited in the Municipality's Affordable Housing Fund (as that term is hereinafter defined).

(e) In the case of the sale of an Affordable Unit to the North Reading Housing Authority, such Deed Rider shall require that the Affordable Unit shall be rented at affordable rent to an individual or household that qualifies as an Eligible Purchaser.

(f) In the event the Municipality purchases an Affordable Unit, the Municipality shall promptly after its acceptance of a deed of such Affordable Unit, either (i) sell the Affordable Unit, after Affirmative Fair Marketing, to an Eligible Purchaser at the greater of (x) the same price for which it purchased the Affordable Unit plus any expenses incurred by the Municipality during its period of ownership subject to the Deed Rider, or (y) the Maximum Resale price, with the recording of an Eligible Purchaser Certificate satisfactory in form and substance to the Monitoring Agent, or (ii) rent the Affordable Unit to a person or household who would qualify as an Eligible Purchaser upon terms and conditions applicable to low-income rental units under the Massachusetts Housing Finance Agency Enabling Act. The Municipality shall not sell or rent to a person or household who would not qualify as an Eligible Purchaser.

(g) Whether any such Affordable Unit will remain a Subsidized Housing Unit included in the Subsidized Housing Inventory shall be determined solely by the rules and regulations issued by DHCD then in effect. The parties agree that all reasonable measures should be taken so as to preserve the affordability of the Affordable Units during the full period of affordability, subject to the terms of the Deed Rider.

6. Limited Dividend Requirement. (a) Developer agrees that the aggregate profit from the Project which shall be payable to Developer or to the partners, shareholders or other owners of Developer or the Project shall not exceed twenty percent (20%) of Total Development Costs of the Project (the "Allowable Profit").

(b) No later than ten days prior to the issuance of a final Certificate of Occupancy for the final unit in the Project, the Developer shall deliver to the Monitoring Agent and the Municipality, and the Auditor, if any at such time, an itemized statement of Total Development Costs together with a statement of gross income from the Project received by the Developer to date in a form consistent with the Developer's Comprehensive Permit pro forma and satisfactory to the Monitoring Agent ("Final Certified Cost and Income Statement"), prepared and certified by an independent Certified Public Accountant satisfactory to the Monitoring Agent and prepared according to GAAP. If the Municipality has reasonable cause to believe that the Final Certified Cost and Income Statement does not accurately represent the Total Development Costs and gross income from the Project, the Municipality may engage an Auditor. Prior to the issuance of an occupancy permit for the final unit of the Project, all costs incurred by the Municipality's Board of Appeals and/or the Municipality for services provided by the Auditor, if any, and other professional services related to the audits, including legal fees incurred by the Municipality's Board of Appeals and/or the Municipality ("Auditor Fees"), shall be paid by the Developer. If all Units at the Project have not been sold as of the date the Final Certified Cost and Income Statement is delivered to the Monitoring Agent, the Municipality, and the Auditor, if any at such time, the Developer shall at least once every ninety (90) days thereafter until such time as all of the Units are sold, deliver to the Monitoring Agent, the Municipality and such Auditor, an updated Final Certified Cost and Income Statement, and all Auditor Fees incurred following the issuance of the final occupancy permit shall be paid by the Developer simultaneously with the sale of the final unit. The Monitoring Agent and the Municipality (if the Municipality has reasonable cause to believe that the Final Certified Cost and Income Statement does not accurately represent the Total Development Costs and gross income from the Project) shall each have the right to engage its own certified public accountant to audit the Developer's records relating to costs and revenues and the Developer shall cooperate fully with said audits.

(c) If any Certified Cost and Income Statement, in the opinion of the Monitoring Agent, the Municipality, or the Auditor, if any at such time, indicates the likelihood of a profit in excess of 20% of Total Development Costs, reasonably allocated to that phase, the Developer shall place such excess profit in escrow pursuant to an escrow arrangement acceptable to the Monitoring Agent and the Municipality, pending receipt, review and approval of the Final Certified Cost and Income Statement by the Monitoring Agent, the Municipality, and the Auditor, if any at such time, whereupon, if the Final Certified Cost and Income Statement does not indicate profit in excess of the Allowable Profit, the amount in escrow shall be released to the Developer and if the Final Certified Cost and Income Statement does indicate profit in excess of Allowable Profit, the amount in escrow, to the extent of such excess profit, shall be released to the Municipality, and the balance, if any, released to the Developer. To the extent not already released to the

Municipality, all profit from the Project in excess of the Allowable Profit shall be paid by the Developer to the Municipality. If any Unit is sold prior to the date the Interim Certified Cost and Income Statement is approved by the Monitoring Agent, the Municipality and such Auditor, the Developer shall upon the request of the Project Administrator or the Municipality provide evidence reasonably satisfactory to the party so requesting that any profit distributed to the Developer on such sale, combined with reasonably projected total profits from the Project, will not exceed the Allowable Profit. The holder of the mortgage securing the Loan shall not be obligated to release the Unit being sold as security for the Loan until the Developer has satisfied this requirement.

(d) All profits from the Project in excess of the Allowable Profit (the "Excess Profit") shall be paid by the Developer to the Municipality. The Municipality agrees that all amounts constituting Excess Profit shall be deposited in the Affordable Housing Fund (as hereinafter defined).

(e) Notwithstanding the foregoing, the Project Administrator and the Municipality shall each have the right to challenge any Certified Cost and Income Statement and the determination of Allowable Profit if either party has reasonable cause to believe such determination is not accurate. In the event of any such challenge, the challenging party shall so notify the Developer and the Monitoring Agent and may request further documentation of the Developer's costs and revenues. The Developer shall cooperate fully with any such request. For so long as the Developer complies with the requirements of this Section 6, the Developer shall be deemed to be a limited dividend organization within the meaning of the Act.

7. Affordable Housing Fund. The Municipality agrees that upon the receipt by the Municipality of any Windfall Amount, Excess Profit, or any amount paid to the Municipality pursuant to the provisions of Sections 3, 4 and 6 of the Deed Rider (the "Additional Windfall Amounts"), the Municipality shall deposit any and all such Windfall Amounts, Excess Profit, or Additional Windfall Amounts into an affordable housing fund, to be used by the Municipality for the purpose of reducing the cost of Affordable Units to Eligible Purchasers upon resale or for the purpose of encouraging, creating or subsidizing the construction or rehabilitation of housing for persons and families who qualify as Eligible Purchasers elsewhere in the Municipality, or if no affordable housing fund exists, such excess shall be delivered to the Municipality as a gift for the aforementioned purposes and deposited into a fund established pursuant to G.L. c. 44, § 53 (the "Affordable Housing Fund").

8. Marketing Plan. Prior to marketing or otherwise making available for sale any of the Units, the Developer must obtain the Project Administrator's approval of a marketing plan (the "Marketing Plan") for the Affordable Units to be administered under the supervision of the Monitoring Agent. Such Marketing Plan must describe the buyer selection process for the Affordable Units, including any lottery or similar procedure for choosing among Eligible Purchasers, and must provide for Affirmative Fair Marketing of

Affordable Units. At the option of the Municipality, the Marketing Plan may also include a preference for local residents for up to seventy percent (70%) of the Affordable Units; provided that, in the event a local resident preference is established, use of the preference shall not violate applicable fair housing laws and regulations. When submitted to the Project Administrator for approval, the Marketing Plan should be accompanied by a letter from the Chief Elected Official of the Municipality which states that the buyer selection process and local preference (if any) have been approved by the Municipality and that the Municipality will perform any aspects of the Marketing Plan which are set forth therein as responsibilities of the Municipality. All costs of carrying out the Marketing Plan with respect to outreach, location and selection of the initial Eligible Purchasers shall be paid by the Developer; thereafter, such costs shall be paid from the Resale Fee (as defined in the Deed Rider). In the event that the initial marketing plan is to be created and implemented by the Municipality or an agent thereof, the costs to be paid by the Developer shall be based upon a budget, mutually agreed upon by the Developer and the Municipality or its agent. The Developer agrees to maintain for at least five (5) years following the sale of the last Affordable Unit, a record of all newspaper ads, outreach letters, translations, leaflets, and all Affirmative Fair Marketing efforts (collectively "Marketing Documentation") as described in the Marketing Plan. The Marketing Documentation may be inspected at any time by the Monitoring Agent, the Project Administrator and the Municipality. If at any time prior to or during the initial process of marketing the Affordable Units, the Project Administrator determines that the Developer or the Monitoring Agent has not adequately complied with the approved Marketing Plan, the Developer or Monitoring Agent, as the case may be, shall take such additional corrective measures as shall be specified by the Project Administrator. Until the mortgage securing the Loan is discharged, the Marketing Plan shall not be amended without the approval of the holder of such mortgage; thereafter, any changes shall be approved by the Monitoring Agent.

9. No Discrimination. Neither the Developer nor the Municipality shall discriminate on the basis of race, creed, color, sex, age (except as may be lawfully required by the Comprehensive Permit), handicap, marital status, national origin, or any other basis prohibited by law in the selection of buyers for the Units; and the Developer shall not so discriminate in connection with the employment or application for employment of persons for the construction, operation or management of the Project.

10. Monitoring Agent. The Developer shall retain CHAPA for purposes of administration, monitoring and enforcement under this Agreement pursuant to an agreement substantially in the form of the Monitoring Services Agreement attached hereto as Exhibit D. All notices and reports required to be submitted under this Agreement shall be submitted simultaneously to the specified entity and to CHAPA. In the event that CHAPA shall cease to serve or shall fail to exercise diligence and care in its duties, a successor monitoring agent shall be selected in accordance with the provisions of Section 6 of the Monitoring Services Agreement.

11. Compliance. The Developer agrees to comply and to cause the Project to comply with all requirements of the Comprehensive Permit, the Guidelines and all other

applicable laws, rules, regulations, and executive orders. The Project Administrator, the Monitoring Agent and the Chief Elected Official of the Municipality (from the date hereof through the date which is five (5) years after the Developer has sold the last unit in the Project) shall have access during normal business hours to all books and records of the Developer and the Project in order to monitor the Developer's compliance with the terms of this Agreement.

12. Recording. Upon execution, the Developer shall immediately cause this Agreement and any amendments hereto to be recorded or filed with the Registry, and the Developer shall pay all fees and charges incurred in connection therewith. Upon recording or filing, as applicable, the Developer shall immediately transmit to the Project Administrator, the Municipality and the Monitoring Agent evidence of such recording or filing including the date and instrument, book and page or registration number of the Agreement.

13. Developer's Representations, Covenants and Warranties. The Developer hereby represents, covenants and warrants as follows:

- (a) The Developer (i) is a Limited Liability Company duly organized under the laws of the Commonwealth of Massachusetts, and is qualified to transact business under the laws of this State, (ii) has the power and authority to own its properties and assets and to carry on its business as now being conducted, and (iii) has the full legal right, power and authority to execute and deliver this Agreement.
- (b) The execution and performance of this Agreement by the Developer (i) will not violate or, as applicable, has not violated any provision of law, rule or regulation, or any order of any court or other agency or governmental body, and (ii) will not violate or, as applicable, has not violated any provision of any indenture, agreement, mortgage, mortgage note, or other instrument to which the Developer is a party or by which it or the Project is bound, and (iii) will not result in the creation or imposition of any prohibited encumbrance of any nature.
- (c) The Developer will, at the time of execution and delivery of this Agreement, have good and marketable title to the premises constituting the Project free and clear of any lien or encumbrance (subject to encumbrances created pursuant to this Agreement, and any other documents executed in connection with the Loan, or other encumbrances permitted by the Project Administrator).
- (d) There is no action, suit or proceeding at law or in equity or by or before any governmental instrumentality or other agency now pending, or, to the knowledge of the Developer, threatened against or affecting it, or any of its properties or rights, which, if adversely determined, would materially impair its right to carry on business substantially as now conducted (and as

now contemplated by this Agreement) or would materially adversely affect its financial condition.

14. Restrictions on Transfers and Junior Encumbrances. Except for sales of Units to homebuyers as permitted by the terms of this Agreement, Developer will not sell, transfer, lease, exchange or mortgage the Project without the prior written consent of the Monitoring Agent and (for so long as the Loan is outstanding) the holder of the mortgage securing the Loan.

15. Casualty. Until such time as decisions regarding repair of damage due to fire or other casualty, or restoration after taking by eminent domain, shall be made by a condominium association or trust not controlled by the Developer (or if the Project consists of detached dwellings, by homebuyers), Developer agrees that if the Project, or any part thereof, shall be damaged or destroyed or shall be condemned or acquired for public use, the Developer will use its best efforts to repair and restore the Project to substantially the same condition as existed prior to the event causing such damage or destruction, or to relieve the condemnation, and thereafter to operate the Project in accordance with the terms of this Agreement, subject to the approval of the holder of the mortgage securing the Loan (for so long as the Loan is outstanding).

16. Governing Law. This Agreement shall be governed by the laws of the Commonwealth of Massachusetts. Any amendments to this Agreement must be in writing and executed by all of the parties hereto. The invalidity of any clause, part, or provision of this Agreement shall not affect the validity of the remaining portions hereof.

17. Notices. All notices to be given pursuant to this Agreement shall be in writing and shall be deemed given when delivered by hand or when mailed by certified or registered mail, postage prepaid, return receipt requested, to the parties hereto at the addresses set forth below, or to such other place as a party (or its successor) may from time to time designate by written notice:

18. Term. (a) The term of this Agreement shall continue until the date the Developer has sold all of the Affordable Units subject to the Deed Rider containing the Resale Restrictions in accordance with this Agreement and the Monitoring Agent, the Municipality and the Project Administrator have determined that the Developer has complied with the limited dividend requirement contained in Section 6 hereof. The recording of a discharge of this Agreement executed by the Project Administrator and the Municipality shall evidence the end of the Term.

(b) The Developer intends, declares and covenants on behalf of itself and its successors and assigns that this Agreement and the covenants, agreements and restrictions contained herein (i) shall be and are covenants running with the land, encumbering the Project for the term of this Agreement as provided in subsection (a) of this Section 18, and are binding upon the Developer's successors in title, (ii) are not merely personal covenants of the Developer, and (iii) shall bind the Developer, its successors and assigns and enure to the benefit of the Project Administrator and the Municipality and their successors and assigns for the term of the Agreement. Developer hereby agrees that any and all requirements of the laws of the Commonwealth of Massachusetts to be satisfied in order for the provisions of this Agreement to constitute restrictions and covenants running with the land shall be deemed to be satisfied in full and that any requirements of privity of estate are also deemed to be satisfied in full.

(c) The Resale Restrictions contained in each of the Deed Riders which are to encumber each of the Affordable Units at the Project pursuant to the requirements of this Agreement shall constitute an affordable housing restriction as that term is defined in Section 31 of Chapter 184 of the Massachusetts General Laws. Such Resale Restrictions shall be for the benefit of the Municipality, and the Municipality shall be deemed to be the holder of the affordable housing restriction created by the Resale Restrictions in each of the Deed Riders.

19. Further Information. The Developer agrees to submit any information, documents or certifications requested by the Monitoring Agent and/or the Municipality which the Monitoring Agent and/or the Municipality shall deem necessary or appropriate to evidence the continuing compliance of the Developer with the terms of this

Agreement. Similarly, the Municipality agrees to provide the Monitoring Agent with any all information, documents, or certifications in the possession of the Town which the Monitoring Agent shall deem necessary to evidence compliance with the terms of this Agreement.

20. Defaults; Remedies. (a) The Developer and the Municipality each covenant and agree to give the Project Administrator written notice of any default, violation or breach of the obligations of the Developer or the Municipality hereunder (with a copy to the other party to this Agreement) within seven (7) days of first discovering such default, violation or breach (a "Default Notice"). If the Project Administrator becomes aware of a default, violation, or breach of obligations of the Developer or the Municipality hereunder without receiving a Default Notice from Developer or the Municipality, the Project Administrator shall give a notice of such default, breach or violation to the offending party (with a copy to the other party to this Agreement) (the "Project Administrator Default Notice"). If any such default, violation, or breach is not cured to the satisfaction of the Project Administrator within thirty (30) days after the giving of the Default notice by the Developer or the Municipality, or if no Default Notice is given, then within thirty (30) days after the giving of the Project Administrator Default Notice, then at the Project Administrator's option, and without further notice, the Project Administrator may apply to any state or federal court for specific performance of this Agreement, or the Project Administrator may exercise any other remedy at law or in equity or take any other action as may be necessary or desirable to correct non-compliance with this Agreement. In the event of any default, violation or breach of the obligations of the Developer, the Municipality shall have the same enforcement rights as granted to the Project Administrator and the Municipality shall be subject to the same notice requirements as the Project Administrator, all as provided in this Section 20(a).

21. Enforcement Services. In the event of serious or repeated violations of the substantive or reporting requirements of this Agreement or a failure by the Developer to take appropriate actions to cure a default under this Agreement, the Municipality or the Monitoring Agent (with the prior consent of the Municipality) shall have the right to take appropriate enforcement action against the Developer, including, without limitation, legal action to compel the Developer to comply with the requirements of this Agreement. Notwithstanding anything herein to the contrary, for so long as the Loan is outstanding, neither the Municipality nor the Monitoring Agent shall take any enforcement action against the Developer without prior notice to the holder of the mortgage securing the Loan. The Developer shall pay all fees and expenses (including legal fees) of the Monitoring Agent or Municipality in the event enforcement action is taken against the Developer hereunder. The Developer hereby grants to the Monitoring Agent and the Municipality a lien on the Project, junior to the lien securing the Loan, to secure payment of such fees and expenses. The Monitoring Agent and the Municipality shall be entitled to seek recovery of its respective fees and expenses incurred in enforcing this Agreement against the Developer and to assert a lien on the Project, junior to the lien securing the Loan, to secure payment by the Developer of such fees and expenses. The Monitoring

Agent and the Municipality may perfect a lien on the Project by recording/filing one or more certificates setting forth the amount of the costs and expenses due and owing in the Registry. A purchaser of the Project or any portion of the Project shall be liable for the payment of any unpaid costs and expenses which were the subject of a recorded/filed certificate prior to the purchaser's acquisition of the Project or any portion thereof.

22. Intent and Effect. The terms and conditions of this Agreement have been freely accepted by the parties. The provisions and restrictions contained therein exist to further the mutual purposes and goals of DHCD, the Project Administrator, the Municipality and the Developer set forth herein to create and preserve access to land and to decent and affordable homeownership opportunities for eligible families who are often denied such opportunities for lack of financial resources.

23. Responsibility of Municipality. Neither the Project Administrator nor the Municipality shall be held liable for any action taken or omitted under this Agreement so long as it shall have acted in good faith and without gross negligence.

24. Indemnification. The Developer, for itself and its successors and assigns, agrees to indemnify and hold harmless the Municipality and the Project Administrator against all damages, costs and liabilities, including reasonable attorney's fees, asserted against the Municipality and/or the Project Administrator by reason of its relationship to the Project under this Agreement and not involving the Municipality or Project Administrator acting in bad faith and with gross negligence. This indemnification provision shall not apply to actions of the Municipality's Local Housing Partnership in connection with the administration of a lottery for the sale of the Affordable Units or to actions of the North Reading Housing Authority in connection with any Affordable Unit(s) it may acquire.

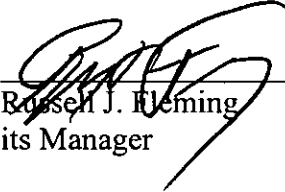

25. Amendments. This Agreement shall not be amended without written consent of all parties hereto.

DEED RIDER***For Comprehensive Permit Projects in Which Funding is Provided
Through a Non-Governmental Entity***

annexed to and made part of that certain deed (the "Deed") from _____
("Grantor") to _____ ("Grantee") dated _____, 200__

RECITALS

WHEREAS, the Grantor is conveying that certain real property more particularly described in the attached Deed ("Property") to the Grantee at a consideration which is less than the fair market value of the Property; and

WHEREAS, the Property is part of a project which was originally financed by a non-governmental entity for which the Massachusetts Housing Finance Agency served as project administrator pursuant to Guidelines for Housing Programs in Which Funding is Provided Through a Non-Governmental Entity (the "Guidelines") issued by the Department of Housing and Community Development ("DHCD"), and was granted a Comprehensive Permit under Massachusetts General Laws Chapter 40B, Sections 20-23, from the Town of North Reading (the "Municipality"); and

WHEREAS, pursuant to the Guidelines, eligible purchasers such as the Grantee are given the opportunity to purchase certain property at a discount of the property's fair market value if the purchaser agrees to certain use and transfer restrictions, including the agreement to occupy the Property as a principal residence and to convey the Property on resale to an income-eligible purchaser, or to the Municipality, for an amount not greater than a maximum resale price, all as more fully provided herein; and

WHEREAS, in order to make it most likely that an income-eligible purchaser who can afford to buy the Property can be located when the Grantee desires to sell, the maximum resale price is limited by the percentage change in median income, with a credit for certain capital improvements, as more fully provided herein; and

WHEREAS, Citizens' Housing and Planning Association, Inc. ("CHAPA") has been retained to monitor compliance with the terms of this Deed Rider, and eligible purchasers such as the Grantee are required to pay to CHAPA, or its successor, a small percentage of the resale price upon the purchaser's conveyance of the Property, as more fully provided herein.

NOW, THEREFORE, as further consideration for the conveyance of the Property at a discount in accordance with the Guidelines, the Grantee, including his/her/their heirs, successors and assigns, hereby agrees that the Property shall be subject to the following rights and restrictions which are hereby imposed for the benefit of, and shall be enforceable by, the Municipality and the Monitoring Agent (as herein defined).

1. Definitions. In this Deed Rider, in addition to the terms defined above, the following words and phrases shall have the following meanings:

Affordable Housing Fund shall have the meaning set forth in Section 7 of the Regulatory Agreement.

Approved Capital Improvements means the documented commercially reasonable cost of capital improvements made to the Property, due to normal wear and tear and needed modernizations, provided that such cost is approved by the Monitoring Agent and further provided that such cost was not previously included in the calculation of the Maximum Resale Price for any prior sale of the Property. The burden of demonstrating such necessity shall be on the owner. The Monitoring Agent shall approve both the necessity of such capital improvements and the cost in its sole discretion. In no event shall the Monitoring Agent approve any capital improvements the cost of which shall result in the Maximum Resale Price exceeding the maximum price affordable to a buyer earning up to seventy percent of the Base Income Number.

Example: The documented commercially reasonable cost of a new roof paid for by the Grantor may be included in the Maximum Resale Price on the sale to the Grantee, but the documented commercially reasonable cost of a new septic system included in the Maximum Resale Price when the Grantor purchased the Property is not included in calculating the Maximum Resale Price to the Grantee.

Area means the Primary Metropolitan Statistical Area which includes the Municipality.

Base Income Number means the most recently published Area median income number (MFI) as determined by HUD.

Chief Elected Official means, with respect to a city, the Mayor of such city, and with respect to a town, the Board of Selectmen of such town.

Closing shall have the meaning set forth in Section 4(d) hereof.

Eligible Purchaser means an individual(s) or household who qualifies as a First-Time Homebuyer (unless otherwise specified in the Guidelines) earning no more than eighty percent (80%) of the Base Income Number for an appropriately-sized household for the unit (that is, for

a one-bedroom unit the 2-person household HUD median income shall apply and for a two-bedroom unit the 3-person household HUD median income shall apply) and, if applicable, owning assets not in excess of the limit set forth in the Guidelines, as amended from time to time. If HUD discontinues publication of median income statistics, then the Monitoring Agent shall designate another measure of eligible income. To be considered an Eligible Purchaser, the individual(s) and all members of his/her household must include be age 62 or older and must intend to occupy and thereafter occupy the Property as his, her or their principal residence and must provide to the Monitoring Agent such certifications as to income and, if applicable, assets as the Monitoring Agent may require to justify designation as an Eligible Purchaser.

Eligible Purchaser Certificate shall have the meaning set forth in Section 5(a) hereof.

First-Time Homebuyer means an individual(s) or household, none of whom have had an ownership interest in a principal residence at any time during the three (3)-year period prior to the purchase date of the Property.

HUD means the United States Department of Housing and Urban Development.

Initial Sales Price means the price at which the Property is first sold by the Developer to an Eligible Purchaser.

Maximum Resale Price means the sum of (A) the Base Income Number (at the time of resale) multiplied by the Resale Price Multiplier, plus (B) the Resale Fee, plus (C) Approved Capital Improvements, if applicable. In no event shall the Maximum Resale Price exceed the maximum price affordable to a buyer earning up to seventy percent of the Base Income Number nor shall the Maximum Resale Price be less than the price paid for the unit by the seller.

Monitoring Agent means CHAPA, as monitoring agent under the Monitoring Services Agreement, or any successor monitoring agent selected in accordance with the provisions of Section 6 of the Monitoring Services Agreement. The Monitoring Agent may also include the Municipality under contract with CHAPA (or any other duly selected successor monitoring agent) and the Project Administrator to provide a portion of the services under the Monitoring Services Agreement.

Monitoring Services Agreement means the Monitoring Services Agreement of even date with the Regulatory Agreement among the Developer, the Monitoring Agent, the Municipality and the Project Administrator, in the form attached as Exhibit D to the Regulatory Agreement.

Mortgage Satisfaction Amount shall have the meaning set forth in Section 6(b) hereof.

Municipal Purchaser Certificate shall have the meaning set forth in Section 5(a) hereof.

Permitted Indebtedness shall have the meaning set forth in Section 6(a) hereof.

Permitted Mortgagee shall have the meaning set forth in Section 6(a) hereof.

Project means the 26-unit development located at 63 Central Street, North Reading, MA 01864, which, pursuant to the terms of the Comprehensive Permit and the Guidelines, includes 7 units of affordable housing for Eligible Purchasers.

Project Administrator means the Massachusetts Housing Finance Agency, acting on behalf of DHCD pursuant to the Guidelines.

Registry means the Middlesex County Registry of Deeds.

Regulatory Agreement means the Regulatory Agreement among the Project Administrator, the Monitoring Agent, the Municipality and the Developer dated 10/4/05 and recorded with the Registry in Book _____, Page _____.

Related Party shall have the meaning set forth in Section 6(a) hereof.

Resale Fee means two and one-half percent (2.5%) of the Base Income Number (at the time of resale) multiplied by the Resale Price Multiplier, to be paid to the Monitoring Agent as compensation for monitoring compliance with the terms of this Deed Rider, including the resale process, as more fully described in Section 11 hereof.

Resale Price Certificate means the certificate issued by the Project Administrator and recorded with the first deed of the Property from the Developer, or the subsequent certificate (if any) issued by the Monitoring Agent in accordance with Section 3 of the Regulatory Agreement, which sets forth the Resale Price Multiplier to be applied on the Grantee's sale of the Property, according to the terms of this Deed Rider, for so long as the restrictions set forth herein continue.

Resale Price Multiplier means _____, which is the number set forth in the most recently recorded Resale Price Certificate. The original Resale Price Multiplier was calculated by the Project Administrator by dividing the Initial Sale Price by the Base Income Number at the time of the initial sale from the Developer to the first Eligible Purchaser, and unless a new Resale Price Certificate is recorded as provided below and in accordance with Section 3 of the Regulatory Agreement, this number will be multiplied by the Base Income Number at the time of resale by the Grantee to determine (in part) the Maximum Resale Price on such resale. In the event that the purchase price paid for the Property by the Grantee includes Approved Capital Improvements, the Resale Price Multiplier will be recalculated by the Monitoring Agent by dividing the purchase price so paid (not including the Resale Fee) by the Base Income Number at the time of such purchase, and a new Resale Price Certificate will be recorded immediately following the recording of this Deed.

Example: Assume the Base Income Number at the time of the initial sale is \$80,800 and the Initial Sale Price is \$150,000. The Resale Price Multiplier would equal 1.86 ($150,000/80,800 = 1.86$). Then assume that at the time the initial purchaser sells the unit, the Base Income Number has increased to \$88,072 and the cost of Approved Capital Improvements (e.g., a new roof) equals \$5,000, the Maximum Resale Price (herein

defined) would be calculated as follows: $\$88,072 \times 1.86 = \$163,814$ + the Resale Fee (herein defined) + \$5,000. If the subsequent purchaser sells the unit at a time when the Base Income Number is \$85,000, the Maximum Resale Price would be calculated as follows: (i) recalculated Resale Price Multiplier = 1.92 ($168,814/88,072 = 1.92$); (ii) $\$85,000 \times 1.92 = \$163,200$ + the Resale Fee + Approved Capital Improvements (if applicable).

Term means, unless terminated earlier according to Section 6 hereof, the period from the date hereof until the earliest to occur of (i) the termination of the term of affordability set forth in the Comprehensive Permit, (ii) the recording of a Compliance Certificate, (iii) the recording of an Eligible Purchaser Certificate and a new Deed Rider executed by the Eligible Purchaser referenced in the Eligible Purchaser Certificate, which new Deed Rider the Eligible Purchaser Certificate certifies is in form and substance satisfactory to the Monitoring Agent and the Municipality, or (iv) the conveyance of the Property to the Municipality and the recording of a Municipal Purchaser Certificate as set forth herein.

2. Owner-Occupancy/Principal Residence. The Property shall be occupied and used by the Grantee as his, her or their principal residence. Any use of the Property or activity thereon which is inconsistent with the purpose of this Deed Rider is expressly prohibited.

3. Restrictions Against Leasing and Junior Encumbrances. The Property shall not be leased, refinanced, encumbered (voluntarily or otherwise) or mortgaged without the prior written consent of the Monitoring Agent; provided, however, that this provision shall not apply to a first mortgage granted in connection with this conveyance. Any rents, profits, or proceeds from any transaction described in the last preceding sentence which transaction has not received the prior written consent of the Monitoring Agent shall be recoverable by the Monitoring Agent or the Municipality, together with all costs of collection, including attorneys fees, and shall be paid upon recovery and payment of costs to the Municipality for deposit to its Affordable Housing Fund.

4. Provisions of Resale. (a) When the Grantee or any successor in title to the Grantee shall desire to sell, dispose of or otherwise convey the Property, or any portion thereof, the Grantee shall notify the Municipality and the Monitoring Agent in writing of the Grantee's intention to so convey the Property (the "Conveyance Notice"). The Conveyance Notice shall set forth the Resale Price Multiplier and the Maximum Resale Price of the Property. Upon receipt of the Conveyance Notice, the Monitoring Agent shall promptly begin locating an Eligible Purchaser. The Grantee shall fully cooperate with the Monitoring Agent's efforts to locate an Eligible Purchaser and will be required to hire a broker to assist the Monitoring Agent in locating an Eligible Purchaser, if so requested by the Monitoring Agent. The Eligible Purchaser located by the Monitoring Agent shall purchase the Property at the Maximum Resale Price within ninety (90) days after the Monitoring Agent receives the Conveyance Notice, or such further time as reasonably requested to arrange for details of closing. The Municipality shall also have the right, junior to that of an Eligible Purchaser, to purchase the Property at the Maximum Resale Price, in which event the purchase shall occur within ninety (90) days after the Monitoring Agent receives the Conveyance Notice, or such further time as reasonably requested to arrange for details of

closing. Any lack of cooperation by Grantee in resale efforts shall extend this period for the length of the delay caused by such lack of cooperation, not to exceed an additional ninety (90) days.

(b) The Monitoring Agent shall devote diligent marketing efforts to locate an Eligible Purchaser ready, willing and able to purchase the Property at the Maximum Resale Price within the time period provided in subsection (a) above. If more than one Eligible Purchaser is located through diligent marketing efforts of the Monitoring Agent, it shall conduct a lottery or other like procedure to determine which Eligible Purchaser shall be entitled to the conveyance of the Property. The procedure for locating and selecting an Eligible Purchaser shall be approved as provided in Section 8 Marketing Plan in the Regulatory Agreement.

(c) If an Eligible Purchaser is selected to purchase the Property, or if the Municipality elects to purchase the Property, the Property shall be conveyed by the Grantee to such Eligible Purchaser or to the Municipality as the case may be, by a good and sufficient quitclaim deed conveying a good and clear record and marketable title to the Property free from all encumbrances except (i) such taxes for the then current year as are not due and payable on the date of delivery of the deed, (ii) any lien for municipal betterments assessed after the date of the Conveyance Notice, (iii) provisions of local building and zoning laws, (iv) all easements, restrictions, covenants and agreements of record specified in the deed from the Grantor to Grantee, (v) such additional easements, restrictions, covenants and agreements of record as the Eligible Purchaser or the Municipality, as applicable, consents to, such consent not to be unreasonably withheld or delayed, and (vi) a Deed Rider satisfactory in form and substance to the Monitoring Agent which the Grantee hereby agrees to annex to said deed.

(d) Said deed shall be delivered and the purchase price paid (the "Closing") at the Registry, or at the option of the Eligible Purchaser (or the Municipality, if the Municipality is purchasing the Property), exercised by written notice to the Grantee at least five (5) days prior to the delivery of the deed, at such other place as the Eligible Purchaser (or the Municipality, if the Municipality is purchasing the Property) may designate in said notice. The Closing shall occur at such time and on such date as shall be specified in a written notice from the Eligible Purchaser (or the Municipality if the Municipality is purchasing the Property) to the Grantee, which date shall be at least five (5) days after the date on which such notice is given, and no later than the end of the time period specified in subsection (a) above.

(e) To enable Grantee to make conveyance as herein provided, Grantee may, if so desired at the time of delivery of the deed, use the purchase money or any portion thereof to clear the title of any or all encumbrances or interests, all instruments with respect thereto to be recorded simultaneously with the delivery of said deed. Nothing contained herein as to the Grantee's obligation to remove defects in title or to make conveyance or to deliver possession of the Property in accordance with the terms hereof, as to use of proceeds to clear title or as to the election of the Eligible Purchaser or the Municipality to take title, nor anything else in this Deed Rider shall be deemed to waive, impair or otherwise affect the priority of the Municipality's rights herein over matters appearing of record, or occurring, at any time after the recording of

this Deed Rider, all such matters so appearing or occurring being subject and subordinate in all events to the Municipality's rights herein.

(f) Water and sewer charges and taxes for the then current tax period shall be apportioned and fuel value shall be adjusted as of the date of Closing and the net amount thereof shall be added to or deducted from, as the case may be, the purchase price payable by the Eligible Purchaser or by the Municipality.

(g) Full possession of the Property free from all occupants is to be delivered at the time of the Closing, the Property to be then in the same condition as it is in on the date hereof, reasonable wear and tear only excepted.

(h) If Grantee shall be unable to give title or to make conveyance as above stipulated, or if any change of condition in the Property not included in the above exception shall occur, then Grantee shall be given a reasonable time not to exceed thirty (30) days after the date on which the Closing was to have occurred in which to remove any defect in title or to restore the Property to the condition hereby provided for. The Grantee shall use best efforts to remove any such defects in the title whether voluntary or involuntary and to restore the Property to the extent permitted by insurance proceeds or condemnation award. The Closing shall occur fifteen (15) days after notice by Grantee that such defect has been cured or that the Property has been so restored. The Eligible Purchaser (or the Municipality, if the Municipality is purchasing the Property) shall have the election, at either the original or any extended time for performance, to accept such title as the Grantee can deliver to the Property in its then condition and to pay therefor the purchase price without deduction, in which case the Grantee shall convey such title, except that in the event of such conveyance in accordance with the provisions of this clause, if the Property shall have been damaged by fire or casualty insured against or if a portion of the Property shall have been taken by a public authority, then the Grantee shall, unless the Grantee has previously restored the Property to its former condition, either:

(A) pay over or assign to the Eligible Purchaser or the Municipality, on delivery of the deed, all amounts recovered or recoverable on account of such insurance or condemnation award less any amounts reasonable expended by the Grantee for the partial restoration, or

(B) if a holder of a mortgage on the Property shall not permit the insurance proceeds or the condemnation award or part thereof to be used to restore the Property to its former condition or to be so paid over or assigned, give to the Eligible Purchaser or to the Municipality a credit against the purchase price, on delivery of the deed, equal to said amounts so retained by the holder of the said mortgage less any amounts reasonably expended by the Grantee for any partial restoration.

(i) If the Monitoring Agent is successful in locating an Eligible Purchaser within ninety (90) days after receipt of the Conveyance Notice, but the Eligible Purchaser is unable to secure mortgage financing so as to be able to complete the purchase of the Property, the Monitoring Agent will have an additional sixty (60) days from the date of written notification from the first

Eligible Purchaser that he/she/they are unable to complete the purchase, to find another Eligible Purchaser to purchase the Property.

(j) If the Monitoring Agent fails to locate an Eligible Purchaser who purchases the Property within ninety (90) days (with any requested additional time for closing details or extension due to lack of cooperation by Grantee under Section 4(b)) after receipt of the Conveyance Notice (or within the sixty (60)-day period allowed under the previous subsection), and the Municipality does not purchase the Property during said period, then, subject to the provisions of subsection (l) of this Section 4, no later than six (6) months following expiration of such period, the Grantee may convey the Property to any third party at no less than fair market value determined by an appraiser acceptable to the Monitoring Agent ("Fair Market Value") free and clear of all rights and restrictions contained herein, including, but not limited to the Maximum Resale Price, provided, however, all consideration and payments of any kind received by the Grantee for the conveyance of the Property to the third party which exceeds the Maximum Resale Price shall be immediately and directly paid to the Municipality for deposit to its Affordable Housing Fund. Upon receipt of this excess amount, the Municipality shall issue to the third party and to the Monitoring Agent a certificate (the "Compliance Certificate") in recordable form reflecting the Municipality's receipt of the excess amount, if any, that all rights, restrictions, agreements and covenants contained herein are henceforth null and void and that the sale of the Property to the third party is consistent with the terms of this Deed Rider. This Compliance Certificate is to be recorded in the Registry. This Compliance Certificate may be relied upon by the then owner of the Property and by third parties as constituting conclusive evidence that such excess amount, if any, has been paid to the Municipality and that the rights, restrictions, agreements and covenants set forth herein are null and void. The sale price to a third party shall be subject to the Monitoring Agent's prior approval, giving due consideration to such factors as the appraised value of the Property, time on the market, marketing efforts and economic conditions, but in no event less than the Fair Market Value.

(k) The Grantee understands and agrees that nothing in this Deed Rider or the Regulatory Agreement in any way constitutes a promise or guarantee by the Project Administrator, the Municipality or the Monitoring Agent that the Grantee shall actually receive the Maximum Resale Price for the Property or any other price for the Property.

(l) In the event that the Closing of the sale of the Property to an Eligible Purchaser or the Municipality does not occur within one hundred twenty (120) days of the date the Monitoring Agent receives the Conveyance Notice (plus the additional sixty (60) days allowed under subsection (i) of this Section 4), the Grantee shall have the following six (6) months to sell the Property at a price greater than or equal to 95% of the Fair Market Value. If the Property is not sold at such a price within such six (6)-month period, and only if the Base Income Number has been reduced within such time, at the end of such six (6)-month period the Monitoring Agent shall have a new ninety (90)-day period to locate an Eligible Purchaser to purchase the Property, at the reduced Maximum Resale Price calculated on the basis of the reduced Base Income Number.

5. Resale and Transfer Restrictions. (a) Except as otherwise provided herein, the Property or any interest therein shall not at any time be sold by the Grantee, the Grantee's successors and assigns, and no attempted sale shall be valid, unless the aggregate value of all consideration and payments of every kind given or paid by the Eligible Purchaser (as located and defined in accordance with Section 4 above) or the Municipality, to the then owner of the Property for and in connection with the transfer of such Property, is equal to or less than the Maximum Resale Price for the Property, and (i) if the Property is conveyed to an Eligible Purchaser, unless a certificate (the "Eligible Purchaser Certificate") is obtained and recorded, signed and acknowledged by the Monitoring Agent which Eligible Purchaser Certificate refers to the Property, the Grantee, the Eligible Purchaser thereof, and the Maximum Resale Price therefore, and states that the proposed conveyance, sale or transfer of the Property to the Eligible Purchaser is in compliance with the rights, restrictions, covenants and agreements contained in this Deed Rider, and unless there is also recorded a new Deed Rider executed by the Eligible Purchaser, which new Deed Rider is substantially in the same form as this Deed Rider; or (ii) if the Property is conveyed to the Municipality unless a Certificate (the "Municipal Purchaser Certificate") is obtained and recorded, signed and acknowledged by the Monitoring Agent, which Municipal Purchaser Certificate refers to the Property, the Grantee, the Municipality, and the Maximum Resale Price for the Property and states that the proposed conveyance, sale or transfer of the Property to the Municipality is in compliance with the rights, restrictions, covenants and agreements contained in this Deed Rider, and unless there is also recorded a new Deed Rider executed by the Municipality, which new Deed Rider is substantially in the same form as this Deed Rider; or (iii) pursuant to Section 4(j), any amount in excess of the Maximum Resale Price which is paid to the Grantee by a purchaser who is permitted to buy the Property pursuant to Section 4(j), is paid by the Grantee to the Municipality, and the Municipality executes and delivers a Compliance Certificate as described in Section 4(j) for recording with the Registry.

(b) Any good faith purchaser of the Property, any lender or other party taking a security interest in such Property and any other third party may rely upon a Compliance Certificate, an Eligible Purchaser Certificate or a Municipal Purchaser Certificate referring to the Property as conclusive evidence of the matters stated therein and may record such Certificate in connection with conveyance of the Property, provided, in the case of an Eligible Purchaser Certificate and a Municipal Purchaser Certificate the consideration recited in the deed or other instrument conveying the Property upon such resale shall not be greater than the consideration stated in the Eligible Purchaser Certificate or the Municipal Purchaser Certificate as the case may be.

(c) Within ten (10) days of the closing of the conveyance of the Property from Grantor to Grantee, the Grantee shall deliver to the Monitoring Agent a copy of the Deed of the Property, together with recording information. Failure of the Grantee, or Grantee's successors or assigns to comply with the preceding sentence shall not affect the validity of such conveyance.

Notwithstanding the requirements of Section 4 herein, the Grantee may delegate, transfer or otherwise convey his/her/their title to the Property to a trust or other estate-planning vehicle under which the Grantee and the Age Qualified Person (if other than the Grantee) hold a beneficial interest, so long as the Grantee and the Age Qualified Person demonstrate to the Municipality that he/she/they occupy or intend to occupy the Property as his/her/their primary

residence. Following the death or departure of such beneficial interest holder who is also the Age Qualified Person, the provisions of the preceding paragraph shall apply.

6. Rights of Mortgagees. (a) Notwithstanding anything herein to the contrary, but subject to the next succeeding paragraph hereof, if the holder of record of a first mortgage granted to a state or national bank, state or federal savings and loan association, cooperative bank, mortgage company, trust company, insurance company or other institutional lender or its successors or assigns (other than the Grantee or any person related to the Grantee by blood, adoption, or marriage (any of the foregoing, a "Related Party")) shall acquire the Property by reason of foreclosure or similar remedial action under the provisions of such mortgage or upon conveyance of the Property in lieu of foreclosure, provided that the holder of such mortgage has given the Monitoring Agent and the Municipality not less than sixty (60) days prior written notice of its intention to foreclose upon its mortgage or to accept a conveyance of the Property in lieu of foreclosure, and provided further that the principal amount secured by such mortgage did not exceed one hundred percent (100%) of the Maximum Resale Price calculated at the time of the granting of the mortgage (the "Permitted Indebtedness"), then the rights and restrictions contained herein shall not apply to such holder upon such acquisition of the Property, any purchaser (other than a Related Party) of the Property at a foreclosure sale conducted by such holder, or any purchaser (other than a Related Party) of the Property from such holder, and such Property shall thereupon and thereafter be free from all such rights and restrictions. The holder of Permitted Indebtedness is referred to herein as a "Permitted Mortgagee."

(b) In the event such Permitted Mortgagee conducts a foreclosure or other proceeding enforcing its rights under such mortgage and the Property is sold for a price in excess of the greater of (i) the sum of the outstanding principal balance of the note secured by such mortgage plus all future advances, accrued interest and all reasonable costs and expenses which the Permitted Mortgagee is entitled to recover pursuant to the terms of the mortgage (the "Mortgage Satisfaction Amount"), and (ii) the Maximum Resale Price, such excess shall be paid to the Municipality for its Affordable Housing Fund in consideration of the loss of the Property as affordable housing after a final judicial determination that the Municipality is entitled to such excess, the costs of such determination to be deducted from the excess prior to payment to the Municipality. To the extent the Grantee possesses any interest in any amount which would otherwise be payable to the Municipality under this paragraph, to the fullest extent permissible by law, the Grantee hereby assigns its interest in such amount to said holder for payment to the Municipality.

(c) A Permitted Mortgagee shall notify the Monitoring Agent and the Municipality in the event of any default for which the Permitted Mortgagee intends to commence foreclosure proceedings, which notice shall be sent to the Monitoring Agent and the Municipality as set forth in this Deed Rider. No failure to notify the Monitoring Agent and the Municipality pursuant to the previous sentence shall impair the validity of a foreclosure.

(d) The Grantee grants to the Municipality the right and option to purchase the Property upon receipt by the Municipality of notice in any form (including notice by newspaper publication deemed to be received on the date of publication) of an impending foreclosure against the Property. In the event the Municipality intends to exercise its option, the Municipality

shall purchase the Property at a price equal to the greater of the Maximum Resale Price or the Mortgage Satisfaction Amount within sixty (60) days of receipt of such notice. The deed to the Municipality shall include a deed rider containing all of the rights and restrictions set forth in this Deed Rider and otherwise satisfactory in form and substance to the Monitoring Agent which the Municipality, as a condition to such purchase, agrees to annex to said deed. Any excess received by the Permitted Mortgagee over the Mortgage Satisfaction Amount shall be paid to the Grantee (provided, that in the event that such excess shall be so paid to the Grantee, the Grantee shall thereafter indemnify such Permitted Mortgagee against loss or damage to such Permitted Mortgagee resulting from any claim made by any other party to the extent that such claim is based upon payment of such excess by such Permitted Mortgagee to the Grantee in accordance herewith, provided that such Permitted Mortgagee shall give the Grantee prompt notice of any such claim and shall not object to intervention by the Grantee in any proceeding relating thereto).

(e) If any person who was a Related Party prior to any foreclosure acquires an interest in the Property within ten (10) years after foreclosure, then all covenants and options contained herein shall apply to all subsequent occupancy and sale of the Property.

(f) A certificate signed under penalties of perjury by a purchaser at a foreclosure sale (or any subsequent purchaser) certifying that such purchaser is not a Related Party shall, if recorded with the Registry, be conclusive evidence that such purchaser is not a Related Party.

7. Covenants to Run With the Property. (a) It is intended and agreed that all of the agreements, covenants, rights and restrictions set forth herein shall be deemed to be covenants running with the Property and shall be binding upon and enforceable against the Grantee, the Grantee's successors and assigns and any party holding title to the Property, for the benefit of and enforceable by the Municipality and the Monitoring Agent, their successors and assigns, during the Term of this Deed Rider.

(b) This Deed Rider and all of the agreements, restrictions, rights and covenants contained herein shall be deemed to be an affordable housing restriction as that term is defined in Section 31 of Chapter 184 of the Massachusetts General Laws.

(c) The Grantee intends, declares and covenants on behalf of Grantee and Grantee's successors and assigns (i) that this Deed Rider and the covenants, agreements, rights and restrictions contained herein shall be and are covenants running with the land, encumbering the Property for the Term, and are binding upon the Grantee's successors in title, (ii) are not merely personal covenants of the Grantee, and (iii) shall bind the Grantee, and Grantee's successors and assigns and enure to the benefit of the Municipality and the Monitoring Agent, and their successors and assigns, for the Term. Grantee hereby agrees that any and all requirements of the laws of the Commonwealth of Massachusetts to be satisfied in order for the provisions of this Deed Rider to constitute restrictions and covenants running with the land shall be deemed to be satisfied in full and that any requirements of privity of estate are also deemed to be satisfied in full.

(d) Without limitation on any other rights or remedies of the Grantor, the Municipality, and the Monitoring Agent, their successors and assigns, any sale or other transfer or conveyance of the Property in violation of the provisions of this Deed Rider, shall, to the maximum extent

permitted by law, be voidable by the Municipality, and the Monitoring Agent, their successors and assigns, by an action to enforce such rights, restrictions, covenants, and agreements.

8. Notice. Any notices, demands or requests that may be given under this Deed Rider shall be sufficiently served if given in writing and delivered by hand or mailed by certified or registered mail, postage prepaid, return receipt requested, to the parties hereto at the addresses set forth below, or such other addresses as may be specified by any party (or its successor) by such notice.

9. Further Assurances. The Grantee agrees from time to time, as may be reasonably required by the Monitoring Agent or the Municipality, to furnish the Monitoring Agent or the Municipality with a written statement, signed and, if requested, acknowledged, setting forth the condition and occupancy of the Property, information concerning the resale of the Property and all other material information pertaining to the Property or the Grantee's conformance with the requirements of the Comprehensive Permit and the Guidelines.

10. Enforcement. (a) The rights hereby granted shall include the right of the Municipality and the Monitoring Agent to enforce this Deed Rider independently by appropriate legal proceedings and to obtain injunctive and other appropriate relief against any violations including without limitation relief requiring restoration of the Property to its condition prior to any such violation (it being agreed that there shall be no adequate remedy at law for such

violation), and shall be in addition to, and not in limitation of, any other rights and remedies available to the Municipality and the Monitoring Agent.

(b) Without limitation of any other rights or remedies of the Municipality and the Monitoring Agent, or their successors and assigns, in the event of any sale, conveyance or other transfer or occupancy of the Property in violation of the provisions of this Deed Rider, the Municipality shall be entitled to the following remedies, which shall be cumulative and not mutually exclusive:

- (i) specific performance of the provisions of this Deed Rider;
- (ii) money damages for charges in excess of the Maximum Resale Price, if applicable;
- (iii) if the violation is a sale of the Property at a price greater than the Maximum Resale Price as provided herein, the Monitoring Agent and the Municipality shall have the option to locate an Eligible Purchaser or purchase the Property on the terms and conditions provided herein; the purchase price shall be a price which complies with the provisions of this Deed Rider;
- (iv) the right to void any contract for sale or any sale, conveyance or other transfer of the Property in violation of the provisions of this Deed Rider in the absence of a Certificate of Compliance, by an action in equity to enforce this Deed Rider; and
- (v) money damages for the cost of creating or obtaining a comparable dwelling unit for an Eligible Purchasers.

(c) In addition to the foregoing, in the event of a violation of the provisions of this Deed Rider, the Monitoring Agent and the Municipality may take appropriate enforcement action against the Grantee or the Grantee's successors in title, including, without limitation, legal action to compel the Grantee to comply with the requirements of this Deed Rider. The Grantee hereby agrees to pay all fees and expenses (including legal fees) of the Monitoring Agent and/or the Municipality in the event successful enforcement action is taken against the Grantee hereunder. The Grantee hereby grants to the Monitoring Agent and the Municipality a lien on the Property, junior to the lien of any institutional holder of a first mortgage on the Property, to secure payment of such fees and expenses in any successful enforcement action. The Monitoring Agent and the Municipality shall be entitled to seek recovery of fees and expenses incurred in a successful enforcement action of this Deed Rider against the Grantee and to assert such a lien on the Property to secure payment by the Grantee of such fees and expenses. Notwithstanding anything herein to the contrary, in the event that the Monitoring Agent and/or Municipality fails to enforce this Deed Rider as provided in this Section, the Department of Housing and Community and Development, its successors and assigns, shall have the same right to enforce this Deed Rider as provided herein.

(d) The Grantee for himself, herself or themselves and his, her or their successors and assigns, hereby grants to the Monitoring Agent and the Municipality the right to enter upon the

Property for the purpose of enforcing the restrictions herein contained, or of taking all actions with respect to the Property which the Monitoring Agent or the Municipality may determine to be necessary or appropriate pursuant to court order, or with the consent of the Grantee to prevent, remedy or abate any violation of this Deed Rider.

11. Monitoring Agent Services; Fees. The Monitoring Agent has been engaged to monitor compliance of the Project with ongoing requirements of the Comprehensive Permit and this Deed Rider, including the requirement that the Property be sold and resold to Eligible Purchasers (or to the Municipality) as provided therein. As partial compensation for providing these services, the Monitoring Agent shall receive the Resale Fee on the sale of the Property to an Eligible Purchaser or any other purchaser in accordance with the terms of this Deed Rider . This fee shall be paid by the Grantee as a closing cost at the time of Closing, and payment of the fee of the Monitoring Agent shall be a condition to delivery and recording of its certificate, failing which the Monitoring Agent shall have a claim against the new purchaser and persons claiming under the new purchaser for which the Monitoring Agent may bring an action and may seek an attachment against the Property.

12. Severability. If any provisions hereof or the application thereof to any person or circumstance shall come, to any extent, to be invalid or unenforceable, the remainder hereof, or the application of such provision to the persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each provision hereof shall be valid and enforced to the fullest extent permitted by law.
